

# FOUNDER'S TRIBUTE

---

## Sant Pathik Ji Maharaj

With profound reverence and gratitude, we pay homage to the divine visionary, Sant Pathik Ji Maharaj, whose sacred inspiration laid the foundation of Sant Pathik Vidyalaya in 1987.

A saintly soul devoted to service and enlightenment, he envisioned an institution where education would not merely impart knowledge but cultivate character, discipline, and moral strength. His spiritual guidance became the cornerstone upon which this noble temple of learning was established.

Sant Pathik Ji Maharaj believed that true education harmonizes intellect with integrity and wisdom with humility. His blessings continue to illuminate the path of the institution, inspiring generations of students to pursue excellence with righteousness.

Today, as the school flourishes and expands, we remain steadfast in preserving his founding ideals — nurturing enlightened minds, compassionate hearts, and responsible citizens.

*"May his vision continue to guide us, and his blessings forever protect this sacred institution."*
